Updates and News from Michael LaMastra at NYSED/CTE Business:

Happy May and Happy Teacher Appreciation week! I am truly grateful to work with all of you in providing quality business education to the students of this state. Know that I am appreciative of all of the work that you do. The past month has been exciting with many events taking place in business education including the state conference for FBLA, the International Career Development Conference (ICDC) for DECA, and several other regional and local events.

We are fortunate to have many position openings in business education, but we need teachers to fill those positions! If you know of someone with significant business background, there may be ways for the individual to earn a transitional certificate. Please also speak to the value of a career in business education to your students. Information about teacher preparation programs in business education can be found on the [NYSED Business Education Web Page](#).

If you have not already, please make sure you [subscribe to my mailing list for business education](#). While I may not have all of the answers right away, I promise to keep you as informed as I can through my weekly updates. Stay tuned for updates on position openings, announcements from NYSED, as well as events that may be of interest. I also love sharing unique things that are taking place in our business departments throughout the state. Feel free to [contact me directly](#) if I can assist you in any way.

Be sure to share something with your colleagues in either the [business education workgroup](#) or our new [career and financial management resource site](#).

Additional Questions: contact awards@btanys.org

Here is one example of how a Business Teacher has developed an BMHS Induction Ceremony:

“I worked with our high school Principal to secure a date and a location in the school - we used the high school cafe Senior Lounge in early May. We invited business partners, the Chamber of Commerce, school administrators, other staff that have supported our programs, Inductees families, and the public relations director (to take pictures) - we held a breakfast hosted by the high school cafe - this was held from 8:30-11am - invite only!! Our agenda included: breakfast upon entry at 8:30am, welcome mentions from the business teacher and Supervisor of the department and Principal, special awards sponsored by a local business to a chosen 9th/10th grader, and the induction ceremony for the BMHS Inductees. This was highlighted on our website and in the Spotlight Newspaper for the town.” Tracy Angelini - Bethlehem HS
