CTE Central Conference

The CTE Central Conference on June 21st was a great success, bringing teachers together from all disciplines. Districts from Fulton, Hamilton, Herkimer, Montgomery, Oneida and Schoharie counties were represented.

We believe in collaboration and supporting one another in order to provide every CTE teacher with the resources and information necessary to move career and technical education forward. A big “Thank You” to the CTE Technical Assistance Center & Next Gen for their sponsorship.

and they were happy to be there!
