September 2020

New!

Introducing!

Remember to take care of you, so you can take care of them.

Self-care can be difficult when meeting the demands of others.

- Establish time off at home.
- Take brain breaks away from the computer.
- Remove notifications from your cell phone.
- Ask for assistance when you need it.
- Dress each day.
- Drink lots of water and eat more vegetables.
- Spend quality time with your family.
- Read, journal or meditate.
- Get enough sleep.
- Exercise! Take walks and enjoy the fresh air.
- Follow [CDC guidelines](#)

Membership

Enrollment for the 2020-21 school year has begun!

Enjoy everything the BTA has to offer while showing your support for the profession as a business educator. Take advantage of special discount pricing for departments.

The BTANYS has representation in important conversations when our work does not allow us to be there. We cannot do this without your support. Have a voice, become a member.

Perkins V and the Census 2020

What is the relationship between these two? In addition to the needs assessment, Perkins V funding allocation is based on census data such as the size of the population in different age groups, the population's per-capita income, etc. This money dedicated to career and technical education. In order for districts and communities to benefit, people need to [respond to the census](#), which only takes a few minutes. Due to COVID-19, the census deadline has been extended until September 30th.
