Onward and Forward 2021!!

Business Teachers Association of New York State

Dear BTANYS members,

Onward and Forward - is my motto this year! As we strive to provide education in a challenging world, we must stay focused on moving on and forward planning. Remote learning has become part of our everyday lives and may continue to be so. With that, we want to provide you with the resources and tools that you need to be successful and continue to provide OUTSTANDING EDUCATION for our students.

As your new BTANYS President, the board welcomes the opportunity to provide you with continued support! We must continue to work together to recognize what we have accomplished and continue to work together to improve our craft.

Happy New Year 2021!

Tracy Farrell and the Executive Board of BTANYS
